Similar to Sudoku, players examine all the clues on a challenge card before making a move. Once they discover where to put a piece, they combine this knowledge with additional clues to find out more information. Feel your confidence build as you narrow down the possibilities to fill each candy assortment. Challenges ranging from beginner to expert will feed your chocolate cravings for hours.

Clever Castle

Age: 5 - 7 years

Description: A new pattern matching game designed with younger kids in mind. Players use the clues that the Kind and Queen of the Clever Castle have provided to help all nine of the party guests find their rooms in the castle. When every princess, knight and dragon finds their assigned room, flip the challenge card over to see if you are right! With a Parent's Guide and 40 challenges ranging from easy to super hard, Clever Castle has been specifically designed to encourage children to explore, succeed and have fun.

Zingo

Age: 4 - 8 years

Description:

Zingo is a simple Bingo-style game, with a fancy plastic tile dispenser that kids just LOVE! Everyone who knows Zingo loves it, kids and parents alike. To play, players try to fill their Zingo cards with matching tiles from the Zingo Zinger. The first player to fill his/her card wins! Rules can be adjusted to favor more or less competition among players and to vary length of time that each game takes to play.

Hours of fun guaranteed!
