How it works: Recruiting and Activating AcornKids new dealers.

Every time you recruit, your new dealer needs to purchase products to the value of 40 points, and this equals **4 Competition Points for YOU**. Every time your new dealer recruits, and her new dealer orders products to the value of 40 points, this equals **4 Competition Points for HER**, and **1 Bonus Competition Point for YOU**.

Example: You recruit and activate 5 new dealers = 20 Competition Points for you.
Each of your 5 new dealers recruit and activates 1 new dealer = 5 Competition Points for you.
Total: 25 Competition Points for you.

To encourage new members to place their initial order on sign-up, AcornKids is giving a R 100 discount on the registration fee (R 185 instead of R 285) if they place their product order at the same time. If not, the registration fee remains at R 285.

Dont Forget: To receive Competition Points, you must Recruit and Activate. This means that in addition to signing-up, your new dealer must simultaneously purchase product to the value of 40 points.

The Application Form: A new, simpler, application form is now available. We no longer require bank details or debit orders, and spouse signatures are not needed. As before, the details can be entered into the system either by your Branch or by Head Office. Please note that a signed copy of the form must be faxed or posted to AcornKids.

Competition Rules [The judges decisions will be final]

All Acorn members (Dealers, CD's and Distributors) are eligible to enter the competition. Recruiting and Activating new AcornKids dealers, and helping new dealers to Recruit and Activate new dealers, earns "competition points". At the end of the competition the person with the most "competition points" is the overall winner. Ccompetition Points are then placed in a "Lucky Draw". The Overall Winner and the Lucky Draw winner receive the same prize. The overall winner cannot win the Lucky Draw. There are 10 further "Lucky Draw" prizes for the remaining entrants.

Recruiting and Activating means that a new dealer must be signed-up, AND the new dealer must at the same time place an order for 40 points. The signing-up and product purchase must be done simultaneously to receive "competition points". An initial Order Form is available. New members who do not place an order at the time of sign-up are not considered as "activated", and the recruiter will not receive "competition points". For new members who place their initial order on sign-up, the registration fee will be R 185. If not, then the registration fee remains at R 285.

The 2 "First Prizes" are a trip to Cape Town, including airfare for 2 persons, 3 nights at the President Hotel in Sea Point, with breakfast, and use of a car. Each of the 10 "Runner-Up" lucky draw winners can choose any Acorn or Risso products to a retail value of R 600. These will be delivered free-of-charge to them by post.

The winners will be announced during December 2009. The President Hotel prize is to be taken during 2010, at a time agreeable to all parties. If the winner lives outside Cape Town, air tickets for two, and a car with a full tank of petrol, will be provided. If the winner lives in Cape Town or surrounds no cash in lieu of airfare or car will be provided. The products chosen for the runner-up prizes are subject to availability, and if any choices are out of stock, the winner can choose a substitute. They will be available in January 2010 after AcornKids re-opens.
